MAPS USING PROPOSED NAME	VARIANT SPELLING OR OTHER NAME	MAP SHOWN ON
USGS: Fredericktown, Ohio 7.5-minute quad. 1961 edition	Raleigh Mound	USGS: Fredericktown, Ohio 15-minute quad. 1915 edition

Available information as to origin, spelling, and meaning of the proposed name and/or statement concerning nature of difference in usage or application:

The USGS field engineer has investigated this discrepancy and has ascertained that the 1915 edition was in error and that Raleigh is apparently a misspelling of Rowley. (Elmo Rowley is a grandson of the original owner of the property)
